AUTHORITY AND REFERENCE

Financial Code Section 215 authorizes the Department to adopt the proposed regulations, which would implement, interpret, or make specific Section 3359 of the Financial Code.

INFORMATIVE DIGEST/ POLICY STATEMENT OVERVIEW

This rulemaking action clarifies and makes specific the application requirements and approval process of acquisitions by a bank or trust company of its own securities.

Financial Code Section 3359(d)(3) permits a California state-chartered bank or trust company to acquire its own shares if the acquisition is approved in advance by the Commissioner. Financial Code Section 215 authorizes the Commissioner of the Department to issue regulations deemed necessary or advisable in executing the powers, duties, and responsibilities of the Department.

The Department proposes to adopt Sections 19900 and 19901 in Title 10 of the California Code of Regulations (CCR). The regulations proposed in this rulemaking would establish the application requirements to acquire a bank's or trust company's own securities and would specify the criteria considered in the approval process of such an application.
